Co-operatives National Law

The Ministerial Council on Consumer Affairs has invited comments on a proposed Co-operatives National Law – to be introduced in Victoria in 2011. The deadline for submissions on the proposed Co-operatives National Law is the 26 February 2010.

Following the previous memo to members of 17 December 2009, the board of the Co-operative Federation of Victoria Ltd met on the 20 January 2010 to discuss the proposed Co-operatives National Law.

A submission is in preparation.

The board would like to know of any concerns members may have with the current co-operative legislation in Victoria and individual responses will be provided to members on whether or not and, if so, how the Co-operatives National Law addresses these concerns. Please address any of these concerns to: cfv@australia.coop

The board would also like to know whether members would like individual meetings and/or workshops to discuss the proposed Co-operatives National Law. Please respond to: cfv@australia.coop
